

Fast Help from Friendly Doctors.  
Trustworthy. Confidential. Easy.

1

Send a question via:

2

Abi's A.I. matches it to the right doctor

3

The doctor replies with advice by text or phone call.

### Why you're going to Love Abi.

#### Trustworthy.

Our doctors provide evidence-based medical advice according to international quality standards.

#### Confidential.

We encrypt all data & never share contact or identity details. Not even with our doctors.

#### Real Doctors.

We use Artificial Intelligence to deliver our service, but all medical answers come from real doctors.

#### Easy.

Our unique Chatbot interface makes contacting a doctor as easy as reaching out to a friend.

#### Fast.

Our huge network of doctors means that most questions are answered in 5 minutes or less.

#### 24/7.

Our doctors are available to help any time of day or night. We stay awake so you don't have to.

International Healthcare

I wish to subscribe and have 24/7 free medical advice from a doctor
